

# City of Blythe Tree Trimming Collection

## Service Information

Dear Blythe Resident,

As your community's solid waste and recycling services provider, CR&R Incorporated (CR&R) would like to provide you with the following information with regard to the collection of tree branches and/or other tree trimmings from your home. Blythe residents have two ways to conveniently dispose of your tree trimmings:

1.) You may bring your green waste, including tree branches/ tree trimmings, to our yard located at 14701 S. Broadway Ave. for free disposal between the hours of 7am – 5pm Monday through Friday. Please bring proof of residency to use this free service. Proof of residency must include a picture ID and a recent solid waste or other utility bill. This free service is for City of Blythe residents **ONLY**.

2.) The second way to dispose of your tree branches/tree trimmings is to call our office at 1-800-922-2278 for your free curbside Bulky Item collection service. Each residential customer in the City of Blythe is entitled to four Bulky Item collections per year. Each bulky item collection can have up to three bundles of tree branches or tree trimmings. You may combine bulky item collections and thus increase the number of bundles you place on the curb for collection. Please follow the following guidelines with regards to your tree branches/trimming bundles:

- Bundles must be tied with string, twine or other strong material.
- Bundles must not be longer than 6 feet or wider than 3 feet.
- Any one bundle must not weigh more than 50 pounds.
- Bundles must be placed curbside. Alley collection is not allowed.
- Loose branches/trimmings will **NOT** be collected. All materials must be bundled.
- Please allow for one business day advanced notice for collection by calling our office at 800-922-2278.

Please be aware that landscapers are required to dispose of any material they generate separately and include that in the cost of their services per City of Blythe Ordinance 8.24.047.

We thank you in advance for your cooperation. Please call our Customer Service Team at 1-800-922-2278 for further information or visit us at [www.crrwasteservices.com](http://www.crrwasteservices.com).

Respectfully,

CR&R Incorporated
